NCAT

**Science &
Technology (S&T)
Affordability
Conference**

Why are We Here

- **Science & Technology (S&T) Programs Historically Driven by Product Performance**
 - > **Need to Balance Cost / Performance Tradeoffs**
- **Focus S&T Programs to Obtain Process Maturity Earlier in the Acquisition Process**
- **Technology & Business Practices Must be Sufficiently Mature to Transition Without Costly Reinvention**
- **S&T Exit Criteria / Transition Plan Needed for Technologies Integrated into Acquisition**
